the new sales organization. Under him there has been formed a Washington committee, composed of six members of the staff of the present Allen Property organization which made the seizures. Mr. Palmer and the Washington committee will be aided in their work by an advisory committee composed of Otto T. Bannard, chairman of the board of the New York Trust Company, president of the Yale Club and a member of the Yale Corporation: George L. Ingraham, formerly presiding Justice of the local Appearance of the Supreme Court:

St. Louis Duluth mittee will be aided in their work by an pellate Division of the Supreme Court; Cleveland H. Dodge, classmate at Princeton of President Wilson; Benjamin H. Griswold, Jr., head of the bank-ing firm of Alexander Brown & Sons of Baltimore, and Ralph Stone, president

of the Detroit Trust Company. A sales manager in this city, repre-sentatives of the custodian in charge of each property to be sold and a special attorney representing the custodian in respect to each property round out the

new organization. The sales manager of the organization will be Joseph F. Guffey of Pittsburg. He is president of the Natural Gas Association of America and formerly a member of the petroleum committee of the Council of National Defence. His headquarters will be in the local office of the custodian, 110 West Forty-second

Committee's Scope Is Wide.

Ralph J. Baker of Harrisburg. Pa., and Spier Whitaker of Birmingham, Ala., have been chosen, respectively, as counsel for the sales manager and the Washington committee. Their head-quarters will be in Washington. Mr. Whitaker has been assistant general counsel to the custodian,

The advisory committee will study for the custodian the advisability or propriety of selling any specific property he manner of sale, the minimum price and whether such an upset price should be announced either before or at the time of the sale. It will advise the man ner of advertising and make recomifference in time.
